WILLOW BUNCH CLINIC UPDATE

In December of 2020 services to the Willow Bunch clinic were reduced from two days to one day a week, moving Johanne Rust to provide services to Coronach.

After many inquiries and lobbying by our local elected officials and members of the public the Saskatchewan Health Authority has informed us and restored our services which were previously cut.

Effective January 6th, 2021 Dr. Glaeske will be providing clinics every Wednesday in Willow Bunch and Johanne Rust will provide clinics every Friday, effective January 22nd, 2021.

However, this has been restored on a conditional basis with a review to take place after 3 months.

Let's all be proactive to ensure adequate services remain in Willow Bunch.
