WILLOW BUNCH MUSEUM

Our season started on schedule this year, with doors opening May 15th. We are now open from 9:00am – 5:00pm every day (including holidays), and continue to follow the Covid-19 government regulations. We haven't had many travelers through yet, but it has been gradually getting busier. Please stop in to take a look and see what's new!

We are very happy to have Kianna Hack back for a third summer. She has finished her fourth year of Anthropology online through the U of R and began working for us again on May 10th. We are also happy to welcome McKenna Brandt from Lisieux to our staff. She is studying Animal Bioscience through the U of S and started here on May 16th. On slower visitor days, the girls have been working on several projects. Both positions are partially funded by the Canada Summer Jobs program, which we are very grateful to have received this year.

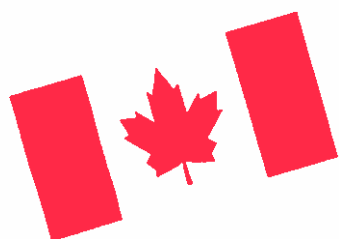

Thank you to the town and their workers, Trever and Kelly, for assisting in the improvement of our front yard. They have removed several of the lilac bushes, which were taking over the whole yard, making it very hard to maintain. Thank you to The Willow Bunch RM and Recreation Board as well, who have agreed to assist us by providing top soil and seed grass. This will improve the look of our front area and make it easier to manage, while making the statues more visible.

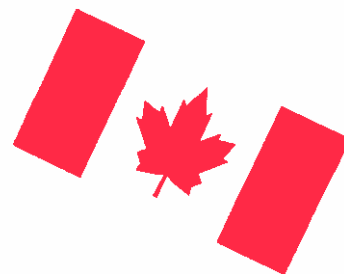

Furthermore, we would like to welcome our newest board member, Denise Haggerty! We are delighted to have her join us.

We are also still looking for people to submit any photos they have of Willow Bunch celebrations to add to the 150th anniversary album we are making. Please contact us by phone 306-473-2806 if you have any.

Please note that we will be celebrating our annual BBQ fundraiser on

July 1st from 11am-1pm!!

Due to Covid-19, we don't know exactly how the event will be held, so be on the lookout for posters with further information!
